Leron,

My sincere apologies – since the Olympics announcement was made it has been a mad house. May I reschedule our lunch, my treat?

Let me know

Sorry, but in the interim I set up another lunch for that date. I could still do the 14th or 16th. Let me know if one of those might work.

Those are bad dates for me unfortunately, I am taking a vacation week off starting on the 14th. Is there a time to squeeze in a coffee between now and then? If not, we will try again when I come back.

Let me know!

Dave

How are you next Tuesday, Sept. 8th for lunch? I could squeeze something in then perhaps. It will be a busy catch-up day for me since I'm taking this Friday off, but if it will work for you I can do it.

Next Tuesday happens to be the most compact committee Council day of the month! Thank you so much for trying to make the time, but I don't think we can squeeze it in on that day – but why don't we set up a call time this week and just catch up, and then we will get together later this month – or if a spot opens up on your calendar just let me know :)

Sure. Some times that would work:

Today at 2 p.m.

Wednesday at 9 a.m.

Thursday morning anytime.

Just let me know if there is one of those that might work for you. ... and will look forward to catching a bite together later in the month.

Best,
